Base Benefit - Terms and Conditions

1 Your benefits

We will pay this base benefit if, during the period of cover, the Life Assured dies or is diagnosed with a terminal illness. When the benefit is fully paid, then the policy will end.

1.1 Death benefit

We will pay the base benefit sum assured if, during the period of cover, the Life Assured dies. The policy will terminate thereafter.

1.2 Terminal Illness benefit

We will pay the base benefit sum assured, subject to SGD 1,000,000 per life insured by us (including all terminal illness benefit payouts under your other policies with us), as an accelerated payment of the death benefit if, during the period of cover, the Life Assured is diagnosed with a terminal illness as defined below. The policy will terminate thereafter unless the base benefit sum assured is not fully accelerated. Any remaining base benefit sum assured not accelerated will be payable upon the death of the Life Assured during the period of cover.

Terminal illness means the conclusive diagnosis of an illness that is expected to result in the death of the Life Assured within twelve (12) months. This diagnosis must be supported by a specialist and confirmed by our appointed registered medical practitioner.

1.3 Period of cover

Your cover for this base benefit starts on the effective date and ends on the earliest of the following:

- upon the payment of the full base benefit sum assured; or
- when you instruct us to cancel the policy; or
- when the policy expires; or
- when the policy is terminated by us due to non-payment of premium or as per clause 2.1.

1.4 Accelerated payment of base benefit

If you have chosen supplementary benefits with partial or full accelerated payment of the base benefit, your base benefit sum assured will be reduced by the accelerated or advanced payment which we have made under such supplementary benefits.

- The sum assured of your other remaining supplementary benefits with accelerated payment cannot exceed the reduced base benefit sum assured.
- Your policy will expire if the total benefits paid under your supplementary benefits with accelerated payment are equal to the base benefit sum assured.

Premiums payable thereafter will be based on the reduced base benefit sum assured and the adjusted sum assured of the remaining supplementary benefits.
